COMMENTS FROM THE TOWN MANAGER'S OFFICE

The first tax anticipation loan for 1964 was obtained last week from the Casco Bank and Trust Company. The town will need about \$150,000.00 to operate with until the 1964 taxes are paid. The rate of interest for this year is 2 1/4 per cent which is the same rate that was paid last year. The first note was for \$50,000.00 and the balance will be borrowed as needed.

The town will continue the practice of tarring driveways this summer. Any person who wants his driveway tarred should fill out a work authorization permit at the town office.

The highway foreman will check any driveway to see if anything will have to be done to it before it is tarred. This should be done in the next two weeks because time will not permit doing it later.

The sidewalks and upper end of Main Street have been swept. The rest of Main Street and the other streets in town still need to be swept and there is a lot of patching to be done in town. Some of the dirt roads have been scraped and the rest will be taken care of as they dry out. There has been two plugged sewers this week. The one at the upper end of Church Street was also plugged in December so a manhole is now being constructed on that line. The manhole will not keep the sewer from plugging but it will make it a lot easier to unplug after a stoppage occurs.

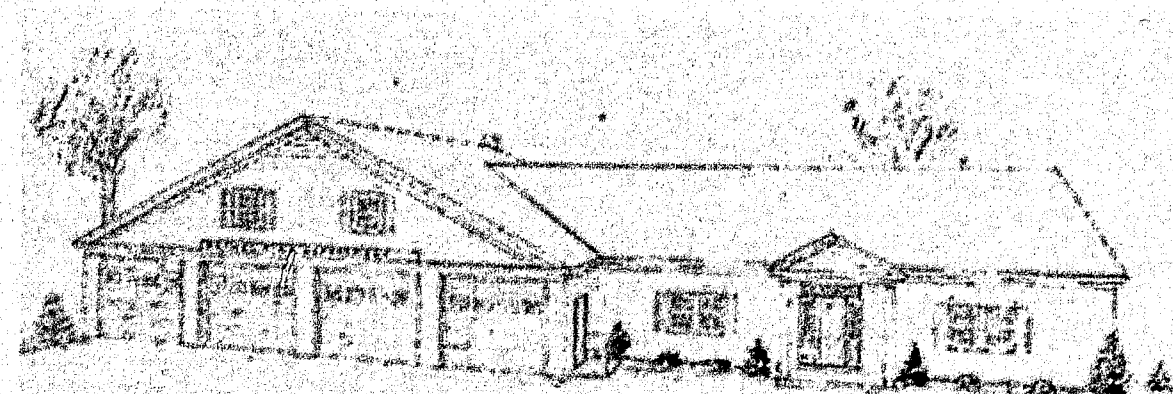

All places serving food must apply for a victualers license by the first Monday in May. The form may be obtained from the municipal officers and after it is signed the license is issued by the town clerk.

Plan Submitted for Fire Station on Present Site

A designer's sketch of a building to be constructed on the site of the present fire station as was originally proposed. The town purchased the apartments from the Chapman Estate in 1963 for \$5,000, with the apparent intention of razing the entire structure for the construction of a new fire station.

This fire station would be approximately 60 x 60 feet with

four bays; a community room in the basement of approximately 45 by 50 feet; with ample room for town offices on street level. The basement community room would be entered off a parking lot at the rear of the building providing ample parking for all community affairs. Construction to be of cinder block with an A-roof. Complete cost of entire project would be approximately \$55,000 and would not exceed \$60,000, including cost of razing present structure, paving, hot water heating plant, electrical work, sprinkler system, etc.

This building was submitted by Harold Rolfe and sketched by Donald Morrill, licensed designer, of Norwalk, Conn., formerly of Bethel.

BETHEL'S NEWEST BUSINESS OPENS SATURDAY

Harvey's Drive-In, a most modern and up-to-date eating place will officially open this week end in a recently completed cinderblock building just east of West Bethel on U. S. Route 2. The 30'x50' building, constructed by local contractor Walter Grover, is situated well back from the highway on a lot measuring 400'x350'. Mr. and Mrs. Harvey Sweetser, owners, expect to have the more than ample parking area, black-topped next week.

The conveniently arranged and beautifully decorated dining area, which is thirty feet square will seat fifty-one people. The end of the building which faces the highway is one continuous window and for night-time use the lighting is truly unique with fifteen multi-color cylindrical fixtures and illuminated ceiling panels. The walls are wood paneled in sun-set birch and the floors throughout are of asphalt tile. It is planned to introduce early service soon and a total of eight people will be employed.

All appliances in this modern restaurant are of stainless steel and the restaurant as well as the three-bed room apartment in the basement is heated by hot water with base-board radiation.

If present plans can be carried out, the Sweetser's hope to have a motor court in operation within a year.

The original Harvey's Restaurant was destroyed by the Main Street fire on March 26, 1963, which also demolished their three-apartment home.

BLOOD TYPING CLINICS

The second in a series of four blood typing clinics will be held Friday, May 1, 7-9 p. m., at the Legion Rooms. Everyone between the ages of 18-60 is encouraged to attend this clinic.

Employees of mills in the Bethel area not already typed are asked to attend.

BETHEL P. T. A. TO MEET TUESDAY

The Bethel P. T. A. will meet Tuesday evening, April 28, at Crescent Park School. "What project will the PTA undertake with the funds in its treasury?" will be the subject for discussion. The program, entitled "Preparation for high school—what the secondary schools expect of incoming freshmen and their parents," will feature Headmaster Vachon of Gould Academy.

Dear friends,

You are interested in HUNLEY and the marvelous achievements she has made in Holy Loch. If you could hear the commendations from the submariners who go to sea on the ships we repair, you would be very much thrilled. You may wish to consider visiting Scotland on a special excursion tour and seeing for yourself the unusual achievement which is being made here and also seeing the scenic lochs, mountains and Highland Scots as well as near-by Europe.

The members of our crew are performing in a marvelous way, keeping the polaris submarines on station at all times and completing very high quality and exacting tasks, to give HUNLEY a record unparalleled by any other Naval ship. We are especially pleased with the praise given our men by Vice Admiral E. W. Grenfell, Commander Submarine Force, Atlantic Fleet and many other top military officers and key civilians from our country and the NATO nations. Captain David Bell, Commander Submarine Squadron Fourteen, has extended a commendation to the entire crew for a superior performance, a meritorious commendation to the entire crew for a superior performance, a meritorious honor which is distinctive and superb. SUNDAY RIVER

Mrs. R. M. Fleet, Cor.— Mrs. Linda Harrington returned home from the GNG Hospital Tuesday, April 13.

Mr. and Mrs. Raymond Foster returned home Wednesday from Florida where they spent the winter.

Mrs. Julie Daye spent Friday with Mrs. Barbara Yates.

The Sunday River Sunday School opened at 9:45 with good attendance. Our next meeting will be the same time on May 3.

Mr. and Mrs. Holman Bacon are entertaining their son and family.

Stan Morgan of Bryant Pond and Tom Yates were in Ketchikan.

We are glad to see most of the snow melt away, without the river and brooks being too high.

This honor has been awarded to a member of your family would let the folk at home know the excellent job he is performing. Would you write this notice now.

It has been the greatest privilege of my life to be associated with such highly motivated and capable men. It has been an honor to serve with one close to you. The devotion to God of this crew has especially impressed me. You would have been thrilled at their response to the Easter and Passover Services. Our attendance at Masses, Sunrise Worship, Sunday School and all other services was greater than at any previous services.

HUNLEY will have Chaplain Robert Beddingfield, USN, report aboard to relieve me on April 10th. Please offer your prayers in his behalf, for he has a very large overseas Parish in Holy Loch. Please pray for me also as I assume new duties with Force Troops, Camp Lejeune, North Carolina.

Thank you for keeping your letters cheerful and seeing the best side of everything. However, if there is some critical emergency, have the American Red Cross notify us at once instead of wiring or calling.

May the richest blessings of our Glorious God be upon you. Most appreciatively yours, W. D. COOPER

DEDICATION TO GENERAL MACARTHUR
Farewell to a great General of the U. S. A.
Farewell to a man who did a lot, but had not much to say.
He was the bravest in his time and came at every call.
His leadership was commended when it caused the Japs to fall.
MacArthur was a hero and he didn't act the part.
For what he did to help this country, he did with all his heart.
Three battle fields and battle cries, his men he had led
To victory for the United States was always his aim ahead
No hate off to General MacArthur, a man we all admire,
Who fought for our liberty under tremendous force of fire.
All the world knew who he was and what he had done.
For a great title of a General was the honor he had won.
In honor of his departing from the country that he loved,
God knows that he deserves the best in Heaven up above.
And so the flags are flying half mast, as Americans say fare well,
In dedication to a war hero's fame of which he's always held.

GREER - MORTON

Miss Marjorie Ruth Morton, daughter of Mrs. Herbert Morton Jr., of Newry, and the late Mr. Morton, became the bride of Pfc. John Goodwin Greer, son of Mr. and Mrs. John H. Greer of Pleasant St., Portland, at an afternoon ceremony Saturday in the West Parish Congregational Church.

The bride wore a gown of white brocade satin. Her veil was attached to a tiara and she carried a white Bible arranged with a spray of pink roses and white carnations.

Mrs. Lawrence Greenwood of Farmington was matron of honor wearing a gown of pink and white chiffon and lace and carrying a colonial bouquet.

Donald Page of Newbury, Vt., attended the bridegroom as best man. Following the reception at Audubon Inn, Mr. Greer and his bride left on a wedding trip through the White Mountains.

The bride is a graduate of Gould Academy and Farmington State Teachers College, where she was a member of Lambda Epsilon sorority. She is home economics teacher at Westbrook High School.

The bridegroom, a graduate of Deering High School, has been stationed at Fort Leonard Wood, Mo., and following a furlough, will report to Fort Dix prior to assignment in Germany.

EAST BETHEL RESIDENT TO CELEBRATE 90th BIRTHDAY SUNDAY

Sunday, April 26, marks the 90th birthday of John E. Fifield, who lives at the home of Mr. and Mrs. Robert D. Hastings, East Bethel. Mr. Hastings is Mr. Fifield's nephew. He has one other nephew, Merton Millett, of South Paris.

John E. Fifield

Born in Bethel on April 26, 1874, Mr. Fifield has lived in around this area for all of his 90 years. He is the son of the late Hiram and Ellen (Cushman) Fifield. He is the last remaining member of the Fifield family. His brothers and sisters were: Frank, Elbridge, Mary (Hastings), and Abbie (Millett).

Mr. Fifield's occupation has been dairy farming, logging and worked for a time on the Grand Trunk Railroad. He is noted among his friends and acquaintances for his fondness for horses and cows.

He has an uncanny ability to recall details of past experiences. Even today he can readily recall farms and families as well as types, numbers and production rates of dairy herds long since gone.

As he reminisces over his 90 years, Mr. Fifield states, "I've done a lot of traveling in my time... most of it right around home!"

Mr. Fifield would welcome well wishers at the Hastings home anytime between 1:30 and 4:30 on Sunday, April 26.

PLAYERS SQUARE DANCE SESSION SUCCESSFUL

Bethel Players "Introductory Night" square dance session was a great success. To date, approximately sixty persons, including members of the "Swinging Bears" square dance club, have made plans to attend these sessions regularly.

New members will be accepted during the next two sessions only, which will be held on May 2 and May 16. Further sessions will be scheduled for the first and third Saturdays of each month, and the place will be announced each time. Members who register for these sessions are not obligated to attend all sessions; but with so much fun in store, we are certain they will want to attend as many sessions as possible.
